

About Us

United Medicare Centre (UMC) is a leader in nursing home services, delivering trusted, quality care since 2003. With more than a decade specialising in caring for the elderly, residents are well taken care of by our team of professionally trained staff.

UMC was the first purpose built private nursing home in Singapore, and currently operates three nursing care facilities. In addition to private nursing care, we are accredited by the Ministry of Health to offer subsidised nursing care under the Portable Subsidy Scheme.

Our Philosophy

We are committed to providing our residents with the highest quality of care and meaningful engagement, supported by our belief in the delivery of individualised and progressive care. We also take a holistic view, focusing on physical and mental needs, as well as emotional and social needs.

PERSON-CENTRED

We see each resident as an individual who is unique. We customise a care plan according to each resident's needs, abilities and preferences.

FAMILY INVOLVEMENT

We believe in holistic care. We encourage families to partner us in meeting the many needs of their loved ones to improve their overall well-being.

STAYING ENGAGED WITH THE COMMUNITY

We recognise the importance of being part of an extended community, despite our residents living apart from it. We welcome the family, friends and community to share their time and enrich the lives of our residents through meaningful interaction.

PURPOSEFUL & MEANINGFUL ACTIVITIES

We engage and motivate our residents to participate in activities that are both enjoyable and meaningful.

Volunteer and Community Support

Be a Friend of UMC! We believe in enriching the lives of our residents with meaningful activities and social interaction. We welcome volunteers and other contributions from the community to help us enhance the well-being of our residents. There are numerous opportunities to make a difference. Here are some ways:

- Art and craft
- Befriending
- Birthday celebration
- Cooking
- Exercise
- Festive celebrations
- Community events
- Games
- Gardening
- Hair-cutting
- Karaoke
- Manicure and pedicure
- Pet interaction/therapy
- Meal assistance
- Movie
- Outings
- Sewing
